RAJARAM SONI

7726059160 | rajaramsoni45@gmail.com | Bhilwara, Rajasthan

Summary

Dedicated Frontend Developer with 1 year of experience specializing in building responsive and performant web applications. Proficient in HTML5, CSS3, JavaScript, React.js, and Next.js, with a strong focus on creating intuitive user interfaces and optimizing website performance.

Experience

Flipshope | Jaipur, Rajasthan
Jr. Frontend Developer | 04/2024 - Present

- Achievements/Tasks
  - Developed responsive web interfaces for 4+ live projects using React.js and Next.js, ensuring seamless functionality across mobile and desktop platforms.
  - Collaborated effectively in Scrum project management environments, consistently meeting sprint goals and deadlines.
  - Designed and developed user-friendly web forms with robust validation and error handling mechanisms.
  - Utilized HTML5, CSS3, and JavaScript to create cross-platform features, improving overall site functionality.
  - Enhanced site performance through optimization techniques.

SRDevops | Bhilwara, Rajasthan
Jr. Frontend Developer Intern | 01/2024 - 03/2024

- Achievements/Tasks
  - Coded responsive web components using HTML5, CSS3, and JavaScript for both mobile and desktop platforms.
  - Researched and implemented emerging web technologies to enhance site functionality and user experience.

Skills

HTML5, CSS3, JavaScript, React.js, Next.js, SQL, MongoDB, Redux Toolkit

Projects

- Dynamic Carousel Component
  - Engineered a flexible carousel component using React.js, supporting variable slide numbers and features.
  - Implemented props-based dynamic updating, enhancing component reusability across different projects.
- Website Downtime Mail Alert System
  - Developed an automated mail alert system using JavaScript and Node.js to notify the team of website downtime.
  - Improved team responsiveness to critical issues, minimizing potential impact on user experience.
- UI/UX Development for Live Websites
  - Designed and developed user interfaces for 3 live websites, focusing on intuitive user experiences and modern design principles.
  - Utilized Tailwind CSS for rapid prototyping and consistent styling across projects.
- CRX Insider | Flipshope
  - Led frontend development for the "CRX Insider" project, creating a responsive web interface using React.js and Next.js.
  - Optimized client-side rendering and implemented lazy loading techniques, resulting in a 30% improvement in page load times.
